Trauma Smart® Program Feedback

Your feedback about Trauma Smart is very important to us. Thank you for taking the time to complete this survey and to add your comments.

Your comments...

...let us know how we are doing.

...improve training and service delivery for you and future participants.

...provide information that we can share with funders and civic leaders to ensure that others can participate in the future.

1. Trauma Smart is strengthening my practice in support of children's social-emotional learning.

5 **4** **3** **2** **1**
Strongly Agree Agree Neutral Disagree Strongly
Disagree
